

9) Helpful, Hopeful, Gentle, Kind

Helpful, hopeful, gentle, kind
That's what you are to me
Helpful, hopeful, gentle, kind
That's what I want to be

Kindness is a thing we share
Kindness shows how much we care
Knowing someone else is there
With hopes and dreams like mine

Helpful, hopeful, gentle, kind
That's what you are to me
Helpful, hopeful, gentle, kind
That's what I want to be

Someone how can lend a hand
Someone who will understand
Someone with a special plan
And hopes and dreams like mine

Helpful, hopeful, gentle, kind
That's what you are to me
Helpful, hopeful, gentle, kind
That's what I want to be
